## An Introduction to Crescent Funeral Services

Conveniently appointed in the centre of the County Town of Taunton, Crescent Funeral Services stands within the historic Crescent mews.

Previously a coach house to those residing in The Crescent, our sensitively furnished Funeral Home offers a space away from the hustle and bustle of day to day Taunton, allowing comfort and peace to the families we have the great privilege of assisting, through the arrangement of their loved one's funeral service.

We are pleased to offer the convenience of being the closest funeral director to the Registry Office, situated in the Old Municipal Buildings, providing families a convenient place to leave their car in our complimentary parking spaces, whilst attending the registry office to begin the administrative needs when a loved one passes away.

A short walk through Bath Place will bring you out at the Registry Office.

Our Funeral Home also has a space designed for our families to come and spend time with their loved one on the days leading up to the funeral service. This space has been dedicated and blessed by local clergy from a mixture of faiths but is equally a place of tranquillity and reflection for those who do not wish for a faith led service.

We hope that our families will feel welcome and comfortable to sit and arrange the details of the funeral service in the privacy of our arranging suite, designed to ensure a relaxed and informal setting. If it is more convenient, we are also very happy to meet with a family in the comfort of their own home.

Our Funeral Home is proud to be able to offer a warm welcome to our disabled clients with all our facilities being situated on the ground floor and having been carefully adapted ensure the comfort and ease for all.

If you wish to visit our Funeral Home or require any special information or if it is just to chat and to find out more about us and our services, we would be very pleased to welcome you.
